Hi Michael!

Sorry for the misunderstanding here. As you and I talked about, we did receive Seldovia's consultation request, but needed some time to consider options. I'm sorry it's taken us so long ☺. We're actually meeting again today to discuss the consultation plan with management, and I will get back to you again just as soon as possible.

Subject: [POSSIBLE SPAM] Seldovia G2G Request Question

Hi Katherine,
I just got word from Violet that she heard from Jim Woods that Seldovia had not turned in a formal request for a G2G meeting. I thought we had and you said it was going to be discussed at a meeting. If we need to do our formal request in a different manner please let us know and we will get that to you as soon as we can. If what we have submitted and it is in the works then we look forward to hearing from someone about it.
Thank you for your time,
Michael
